RECORD ENTRY FOR R.A.C. VETERAN CAR RUN

Entries for the R.A.C. Veteran Car Run from London to Brighton on Sunday, 1st November, have closed at the record figure of 181, and several notable personalities and machines make this year's event even more interesting than usual.

Mr. Wilfrid Andrews, Chairman of the R.A.C., has entered a 1901 Benz: Mr. Maurice Gatsonides, the famous Dutch trials driver and winner of the Monte Carlo Rally last January, will be at the wheel of the 1904 Darracq "Genevieve", heroine of the film which has done so much to arouse public interest in veteran cars: and Mr. F.S. Bennett will drive the 6½ h.p. Cadillac, which he imported to this country in 1903 and on which he recently not only repeated his itinerary in the R.A.C. 1,000 mile motor trial of that year, but actually improved on the figures he then set up.

The distinction of 'oldest car in the event' is shared between three machines, two Lutzmanns and a Benz which were made in 1895. No car made after 1904 is eligible for the run.

The first cars will start at 8.30 a.m. from the Magazine in Hyde Park. They will depart in pairs at intervals of half-a-minute and are expected to arrive in Brighton between 11.20 a.m. and 1.15 p.m.

The route will be via Westminster Bridge - Brixton - Streatham - Thornton Heath - Croydon By-Pass - Redhill - Reigate and thence by the main London - Brighton Road (A.23) to Madeira Drive, Brighton.

All competitors to finish on schedule will receive the special R.A.C. plaque, a replica of the medal awarded to those taking part in the original run in 1896. That is the only award connected with this event.

Programmes will be on sale at the start and finish and along the route.
