CYCLE AND MOTOR CYCLE SHOW EARLS COURT.

Britain's latest cycles and motor cycles go on show at Earls Court. The Hercules "New Yorker" which follows American trends is now available for home buyers. For those who shop on two wheels here's the new double panier giving plenty of room in which to bring home your bacon. The Vincent Black Shadow claims to be the fastest motor cycle in the show.

Now for the cheapest; the Excelsior Cender, Price £80 including tax. Travelling up the price-scale. At £150 guineas, here's the genuine 18 carat gold-plated cycle. That does it! Is there a Docker in the house?
