SHEFFIELD WED. V. EVERTON.

Sheffield Wednesday (in striped shirts) meet Everton at Hillsborough, where 65,000 people, including 15,000 Everton supporters watch the home kick-off. In the first few seconds it looks like Wednesday have a walk-over. Bustling down towards the Everton goal, Alan Finney puts the ball neatly to unmarked Jack Shaw, who, crashes it into the net! Certainly looked easy the way he did it.

Everton, one goal down, get the ball rolling again. A second division side they may be, but they're soon playing first class football, quite unruffled by the score. Leading a raid is Peter Farrell. And his shot nearly scorchers the goalie's hands.

Everton keep pressing but Wainwright's shot raps the bar! Goalie McIntosh hangs on tight as Hickson barges into him.

And still it's Everton on the attack. They're playing a magnificent game, but they just can't find a chink in the Wednesday armour.

In the centre of the field, there's a tussle for possession. But finally Sheffield Wednesday's Ivor Seemly sends his forward line away. But the Everton defence hold firm.

Eddie Wainwright takes it away from danger and heads upfield. But all his efforts are in vain as a team-mate by-passes

It stays at one-nil until half-time. When play resumes, Alan Finney gets Wednesday moving again.

O'Neill intercepts, the pass and clears. That starts another raid with Parker racing his way through the Wednesday defenders.

Parker's centre sends McIntosh leaping but all is well. But a moment or two later Hickson's header makes it one all! A fitting reward for Everton's plucky efforts.

Only six minutes to go and it looks like a replay, but here go Wednesday again.

Finney receives and waits for just the right moment to centre to Sewell - and its another goal! That shock the Everton boys.

Sheffield try again. The ball goes to Eddie Cannon who attempts to dribble his way through.
