CARNIVAL.

Munich, the capital of Bavaria, turns out in force for its annual carnival. The Minister for Home Affairs comes in for a gentle ribbing as students go wild.

Dusseldorf, too, has caught the carnival spirit.

Pooped you that time! Let's move on to Mainz where G.I. Joe is one of the stars.

Yes, its that man again!

Even the stately city of Cologne is in the swing.

You know what happens after the Lords Mayor's Show - well, here's the German version.
