## CARNEVAL IN GERMANY (214)

**BONN:** In the federal capital on the Rhine the carnevalistic season reached its peak when the fools Guard stormed the Town Hall and took over civiccontrol!

In Duesseldorf, the capital of Rhineland - westfalia, carneval is in full swing. The Order of Good Humor was the most corated decoration. In Munich the Bavarian metropolis, the Minister for Home Affairs was caged in. In carneval there is only one authority: fools paradise.

In Mainz, the western Metropolis, the G.I's Coats indicate <sup>the</sup> impending change in Western Germany's military states.

In Cologne on Rhine, the ancient cradle of carneval, even the cathedral once a year lost its overawing poise! A gennine reproduction of Rhenish good humor and fun!

The peak was reached - the carneval season has come to an end. -
