CUP COMES HOME.

54/34.

We hardly need to tell you what this is all about, for you don't get crowds like this more than once a year. Yes, its the Cup and the victorious eleven who won it bring it back in triumph to their home town, West Bromwich.

Mounted police join in the fray as the crowds surge around the coach when it finally arrives at the Town Hall. The captain, Len Millard, and the goal scorers, Ronnie Allen and Frank Griffin come in for a special cheer.

Len Millard makes his way to the dais with the Cup. Wild enthusiasm from the thousands below greets him, and his team-mates.

Len Millard, who captained West Bron to a 3-2 win over Preston, says he and his boys are determined to bring the cup home again next year.
