COLONEL NASSER'S TRIUMPHAL RETURN TO CAIRO
MASRAFF - Cairo's material
Positive developed: 37 meters - 125 ft

After the attempt of assassination on the person of President **GAMAL ABDEL NASSER** in Alexandria, a crowd of thousands of persons crowded the streets and squares around Cairo main Railroad Station, awaiting his return to his capital.

Picture shows the crowd with banners greeting the President, upon his arrival in Cairo, Gamal Abdel Nasser's car surrounded by cheering crowds all along his way back to the Government Headquarters.
