## SKIJUMPING IN GARNISCH

on the Olympic jumping

The traditional New Year ski event/site was the rendez-vous of ski-aces from five nations.

Inspite of the unfavourable weather good results were achieved by the top-ranking European jumpers. Franz Eder and Sepp Kleisl ranked 10th.

Gundor Gundersen, the Norwegian trainer of the German national team. Eino Kirjonen, Finland, in typical style - he was second with 77 and 80 metres.

Sepp Hohenleitner was the best German with 79,5 m. He was 4th. Teivo Lauren had bad luck. He lost one ski on starting and the second landing 50 metres on the slope. Happily, he was only slightly hurt. The Finish ace Aulis Kallakorpi won the event. He jumped 82 metres and repeated.
