JAMAICA - AUSSIES WIN FIRST TEST.

Australia, having lost the Ashes to England, visit the West Indies and, in their First Test, win by nine wickets. The Home Team took the field first and were soon in trouble as Arthur Morris set about the bowling. In the first innings he made 65 before falling to Valentine. In the second innings, Weekes got him for one. Another first innings victim for Valentine was McDonald, but not before he'd added fifty runs to the Aussies score. Binns stumped him magnificently.

Up and up went the score when Neil Harvey (Partnered by Miller) hit out. Harvey got 133, but the mighty Keith Miller did even better with 147. Australia's first innings score of 515 sealed the West Indies' doom.
