

R.A.C. DEMONSTRATION:

Near Bovington, Royal Armoured Corps centre, a tank of World War I is among the armoured vehicles in a special demonstration. In the agility tests, an armoured car shows its paces...twice as fast as the Centurion and Conqueror tanks.

The Conqueror is our biggest yet, weighing 65 tons, its armament is still secret. The Centurion shares the Conqueror's top speed of 21 miles an hour.

A crew of four mans the Conqueror - an impressive machine through anyone's glasses!

After the agility tests, the firing demonstration:

Right on target - and soon its a wonder they can see the target at all. Altogether, a formidable display!
