Was there anything unusual about the story?

If you were assessing it editorially, what would you say?

...and the speed record at 102 mph last summer. There will also be the super-charged Triumph on which Johnny Allen from Texas reached 193 mph on the Salt Flats of Utah recently. But he could not have his record confirmed owing to lack of International Federation observers. This is an unusual all-enclosed machine no less than 15ft long.
