Dear Mr. Cummins,

My friend Hugh Fraser who owns a large chain of stores throughout Britain is most anxious to have the Arrival of Father Christmas at Patrick Thomsons Edinburgh filmed. They are doing a very elaborate arrangement here and you will see from the attached notes that there is quite a lot of outside material. I should be greatly obliged if you could see your way to include it as a News item.

Yours sincerely,

*Alex King*

I respect we should make  
some endeavours cover -  
I don't like it - it looks like  
advertising. Let's try to get  
a part of our knowledge  
in Scotland.
