Dear Tommy:

Tomorrow (Friday, October 21st) we will be shipping to you a story of a "Lion Attacking A Man". This footage was obtained from Harry Wyman of Trans-African Film Productions, P. O. Box 322, Rustenburg, Union of South Africa.

If you are interested in using this material, may I suggest that you contact Mr. Wyman and make your own deal with him. For your guidance, we paid him \$200. for non exclusive rights.

I think you will find the footage rather exciting.

Sincerely yours,

CHARLES VAN BERGEN
Assistant Editor
