**IMPERIAL BALL**

**WEIST -- Aarseth**

A newly-engaged couple lend a regal splendor to a glittering charity ball in New York. All eyes are on Monaco's Prince Ranier and actress Grace Kelly as they take their places in the royal box for the "Imperial Ball -- A Night in Monte Carlo." The prince is guest of honor at the affair, which features a fashion show by ten of America's top designers. Proceeds from the thirty-five dollar a person ball will go to the Hospitalized Veterans Service.

Miss Kelly, who -- as Ranier's bride -- will become Her Serene Highness, fulfills a royal function -- selecting the winning ticket for the prize of the evening. A Cinderella romance with a storybook ending at the Imperial Ball.
