REBIRTH OF GERMAN ARMED FORCES (ca. 60 m)

In Andernach , near Bonn/Rhine, Federal Chancellor Dr. Adenauer inspected the first 1,600 men of the new German Federal Armed Forces.

The Chancellor was accompanied by Federal Minister of Defense Blank, Lt. General Heusinger and the three GOC's and greeted the units with "Good morning", Soldiers!" After the inspection the Chancellor told the soldiers the German people saw in them the incorporation of the will to do their part with defense of the community of free nations to which the German people now again belonged with equal rights and duties. "The one and only target of German rearmament , " he stressed - "is the maintenance of peace."
