PRESS RELEASE.

During the Opening Ceremony of the new British Transport building at Southampton Docks the following cable was received from Mr. Duplessis, General Manager for South African Railways and Harbours:

" To Reginald Biddle
Docks and Marine Manager
Southampton

Harbour Authority of South African Railways
send heartiest congratulations on the occasion
of the opening of your new building for
handling Union-Castle Liners (Stop) This
enterprise in providing these special
facilities for the important Shipping trade
between our respective countries greatly
admired. "
