BRISTOL v. DONCASTER.

Bristol Rovers (in quartered shirts) are at home to Doncaster. The visitors kick off; Bristol winger Petherbridge has the ball, but soon loses it to Graham, who passes to inside left Jeffrey.

Doncaster's right wing centres and Biggs fails to clear. McMorran jumps - but it's saved, and now Bristol are attacking.

Makepeace can't stop him - but he was offside anyway!

Now Doncaster attack - Mooney shoots - but goalie Nicholls gets it away.

Petherbridge centres to Bradford - but it's over.

Second half, and Hooper takes a corner for Bristol. Doncaster clear it, but the home team are pressing hard. The game sways back and forth in front of the visitor's goal. Finally Bristol forwards develop an attack on the right wing.

Goalie Harry Gregg is on his toes - but Bristol left winger Hooper smashes it home!

Doncaster forwards are fighting back. The ball goes to Jeffrey, who shoots - but it's a corner.

Jeffrey heads it, it bounces back - for McMorran to bang it in!

So the Northerners have equalised - and though Bristol make the most of the remaining minutes, they just can't press it home, and it's one more replay for the programme!
