MR. ALLEN 2000:      RE. 1000

Calden Square have contacted him re treatment on the above. They do not want anything reference to Mr. Latta, etc., etc., only a casual reference to name of film - once - unless it can be "thrown in" without noticing.

To get a "news" angle they are going to have:-

1. Gray hair styles (1st Floor lounge)  
(Hair styles of the future) 4 models (3 starlets). Approx. 8.15 p.m.

2. Thought Police of the Future

Will march into theatre and up to 1st Floor lounge - 8.15 p.m.

3. Small Exhibition Model - Building of the future (form of bee hive)

Angle to be "Glimpse into future as seen at West End Premiere", etc., etc.

Mr. Allen will be happy to give us any help and guidance re *commentary* etc.

Copies to: Messrs. Cummins, Jordan, Goddard, Repor, Farrar.
