PRINCE OF MONACO/GRACE KELLY STAMP
Monte Carlo
Competition unknown
Du negative developed: 15 meters : 43 ft

Before the coming 'wedding of the Century'
as some call it, which will tie in wedlocks Prince Rainier de Monaco
and American Film Star Grace Kelly, a stamp with their two profiles
was printed in Monaco to commemorate the event.

This picture shows the printing process in
Monaco, and the finished product, as it will be on sale on the
wedding day in Monaco, just for one day.
