

BIRMINGHAM v. SUNDERLAND.

Over to Hillsborough, where Birmingham City in (white shorts) are playing Sunderland. City winger Gordon Astall makes work for goalie Bill Fraser right at the start.

Sunderland, having defeated the cupholders only two weeks before, are full of fight. But it's going to take science, as well, to pierce that defence.

Now Birmingham are attacking again. Out to the left wing.

Sunderland right back Jack Hedley can't stop it. Centre-forward, Eddie Brown has the ball - he centres - and Kinsey scores!

Ten minutes' play and Birmingham are one up! Sunderland are stung into counter-attack. Billy Elliott receives - and passes it on.

Len Shackleton heads - but goalie Merrick saves.

Second half, and Sunderland attacking again. Billy Bingham beats Ken Green, and shoots - but once more Merrick stops it.

Still in front of the Birmingham goal, with left back Ken Green working hard.

The Ball goes loose - a shot - and Gilbert Merrick saves again.

Merrick kicks upfield, and Birmingham press it home. Eddie Brown has it - flicks it to Astall - and it's a goal! Sunderland nil, Birmingham two!

Sunderland fight hard to catch up - but nothing gets past Birmingham's Gilbert Merrick.

And now Birmingham City are dominating the field. Once again the ball goes to Eddie Brown - and that's goal number three! So it's the two Cities - Birmingham and Manchester for the final, to crown the season!
