RUSSIAN GYMNASTICS.

Soviet gymnast Victor Chukarin shows his skill on the parallel bars during an international contest at Kiev, the Ukrainian capital. Zdenek Huskiahka, of Czechoslovakia, does some remarkable feats in the free exercise event. The law of gravity means nothing to him.

Chukarin again. Competing against top Gymnasts from Russia, Bulgaria, Czechoslovakia, and Hungary, he wins the individual championships!

But his compatriot Boris Shakhlin runs him a close second. And if this sort of thing only earns Boris second place, the standard must be pretty high!

If you're worried about your waistline, try a spot of this every morning.

He can do it just as well on a live horse - only he couldn't find one with handles!
