* Queen's speech. (see note below)

C.U. of Duke.

Cut ins of stands, etc.

Royal Salute.

Three cheers.

General shots of presentations. C.U. of above.

Departure.

Music during inspection: "Pageantry" by Neil Stanley.

* Bad wind on mikes.

Remarks:

Due to accident, part of Queen's Speech after the start will suddenly go a bit soft focus. This is rectified later and becomes sharp to end of speech. There is plenty of good stuff here, so please use sharp stuff if possible. The difference is light but being static will be noticed on screen if not in the hand.
