SCENE NUMBER	COMPLETE DESCRIPTION OF SCENES
Roll 1.	<p>I went to the St. ANDREW monastery 100 miles from Nicosia for having heard that operations are carried out for hidden arms and people wanted by the HLI infantry. soon as I arrived there the searches were over and I had to come back to Nicosia. with the 50 lorries of 2000 men of the HLI been divided in to convoys of 15 lorries each. on the 60th. milestone is a village of the KARPAS area of the Pammagusta district called KOMMA TOU YIALOU, there while the convoy of the troops was passing a student of seventeen from the YIALOUSSA school has thrown a bomb from a narrow village street with the wounding of two servicemen and the killing of a young boy of eight years old been hidid by the shells of the bomb, the troops came off the lorries and chase the youngster and shot him dead.. So on my arrival to the village there I have covered roll one showing the people of the village facing the walls with the hands up ordered by the troops to, do so, other shots showing the people of the village standing facing the walls and to the foreground the boy who was killed by the bomb covered on the ground.. other shots are from the youngster who throw the bomb and shot by the troops he is on the ground and his bicycle near him which he has used it to run away.. other shot is the narrow street where he run away to wards the fields.. other shots of the village for background.</p>
Roll 2.	<p>The security forces have carried out a house to house searches in t the NEAPOLIS village near Nicosia, for hidden arms and wanted people. shots of the troops cordon off the area of the entrance of the small town several shots of the troops with the barbedwires checking all in and out...shots of the troops using minedetectors in the fields searching for hiddedn arms...other shots are with them entering a house to be search with the detector to the yard and to the</p>
Roll 3.	<p>chicken cases....other shots showing the troops in the deserted streets of the town...and troops lining are marching for patrolling. Shots showing the troops and the police entering one of the houses to be searched..while the troops is the yards are searching it. Troops took part in this operation are the civil Police, the South Staffords, and the KOYLIS...To end are shots of JUSTICE SHAW who has been wounded by terrorits two weeks ago in Nicosia coming from his office in the Victoria Street. here he is in his house office doing well on his first day out of the Hospital....</p>
