TOURNAMENT OF THE NATIONS OF THE U.S.S.R.

This camp is situated near the town of Pedalok not far from Moscow. Forest glades have turned into sport grounds and meadows into fine mats and carpets for gymnasts and acrobats.

Athletes from the Moscow Stadium "Young Pioneer" live in this camp. Here they prepare for the Tournament of the Nations of the U.S.S.R., to be held in Moscow in August. It's not so easy to master the skill of showing such a fine performance on a beam.

The boys do not seem to lag behind....

The sections of gymnastics and acrobatics begin their exercises....

The children are in a hurry to take their places on the lawn....

On the mat is Tamara Fedasova....

Let's see the eight-year-old acrobats — Talya Ukhov and Talya Ferelev — doing their exercises....

Tamara Sevastyanova is still a schoolgirl, but she's already performing the norm of a Master of Sport.

She had won several times the Moscow champion title and had won prizes in the U.S.S.R., championships for adults.

Some important contests are awaiting the young athletes. So, they have to prepare themselves accordingly and have a good rest in the meantime.
