Habsburg Wedding

Father died
1 April 1922!

35

In the Bavarian village Poecking, near the Starnberg Lake, 32 year old Charlotte of Habsburg-Lorraine, youngest daughter of the last Austrian Emperor, was married to the 56 year old Duke George of Mecklenburg.

The wedding was celebrated in the village church in presence of numerous nobles from European countries : Ex-Empress Zita - Archduke Otto of Habsburg and the Archduchess - representatives of 5 royal families - 17 dukes and duchesses - 23 princes and princesses - 14 counts and countesses. Folkloric groups in their quaint costumes represented the Austrian provinces and students in their traditional robes added additional colour to the unusual scene.
