Yes! This tiger is sure to put plenty of fear in you...
But beauty "Pursh" is just playing with its tamer, Margarita
Nazarova.

This young trainer is well known to circus lovers. She is
now on a tour in the city of Novosibirsk and her freeday
she spends with her pet on the Ob.

Pursh is not only a circus actor....

He took part in two feature films -- the DANGEROUS PATH and
THE TIGER TAMER. They say, that Pursh has enjoyed it very
much. That is why, perhaps, he poses so willingly as our came-
raman takes a picture of him
