Dear Sir,

I have pleasure in enclosing an advanced copy of the programme for the 38th Meeting of Cycling Champions at Herne Hill this coming Saturday.

A small write up on this meeting would be greatly appreciated. I have already sent you some advanced information. Perhaps you could also include the fixture in your Daily Fixture Diary on Saturday.

Thanking you in anticipation of any support that you can give us for this, our final meeting of 1956.

Yours faithfully,

Keith G. Robins,  
Herne Hill Track Manager,
