12th September, 19 56.

I had a request from Lt. Col. Lionel Evans to know if we could film the Dedication of the Welch Regiment Memorial Chapel in Llandaff Cathedral by His Grace The Lord Archbishop of Wales for the Pathe Newsreel.

I have now received from him the Order of Service and I am confident that this item should be of considerable interest throughout the whole of Wales and therefore, be of interest to Liverpool just as much as Cardiff.

You will note from Order of Service that there will be immense notability including the Home Secretary, the High Sheriff of Glamorgan, etc., etc., as well as I am told a number of 'Brass Hats'.

Every facility will be offered to us for filming if we agree and Lt. Col. Lionel Evans as told me that he will not approach any other Company if we agree to cover, but he would like to know quickly.
