**LITTLE ELEPHANT AND HIPPOPOTAMUS IN THE ZOO OF BUDAPEST 17 m.**

The little hippopotamus of the Zoo of Budapest is 4 months old  
After a walk it is agreeable to slumber in the water.

Jubiles also thrives well.

The 4 months old elephant girl weighs 1.5 quintals.

But where is it from the 25 quintals of its mother?

Since 90 years of existence of our Zoo, this is the first case,  
that a little elephant born here is living.
