M.P.'s WIN MENTAL PATIENT'S FREEDOM:

Cane Hill Mental Hospital releases 53-year-old Mrs. Harriet Thornton after $3\frac{1}{2}$ years detention as a certified mental case. Public opinion is beginning to wonder how many more patients, in hospitals up and down the country, have been wrongly certified because someone wanted them out of the way.

Labour M.P. Norman Dodds, on the right, leaves Parliament with Mrs. Thornton after hearing the Minister of Health declare her a free woman. Dr. Johnson, Conservative M.P. has joined forces with Mr. Dodds to fight Britain's chaotic lunacy laws. Dr. Johnson was himself wrongly certified five years ago, as the result of a criminal plot.

From Parliament, Mrs. Thornton and the two M.P.'s come to Pathe House to tell the facts before our cameras:
