IKE GOLFS WITH ST. LAURENT.

President Eisenhower and Canada's premier St. Laurent - the two leaders of North America - make up a foursome with Mr. St. Laurent's daughter and Ed Dudley, the club professional, at Augusta Georgia. Ike's Canadian guest is first off the tee for a nine-hole international match at the very highest level. President and Premier are both enthusiastic golfers, but they don't often get a chance for a round like this!

And the score? Just as it should be - all even!
