from Thornypits, Corsham, Wilts.*

Pavilion, Bath - January, 14th, 1957

PROGRAMME 6d.

It is the hope of the performers that this performance will serve to express their gratitude to the people of England who have shown them so many kindnesses, and to help to explain to the world that they are not abject refugees, begging for favours, but free people whose only plea is to be allowed to continue their several journeys to other lands or to settle here and build new lives by their own efforts

The performers have asked that any proceeds of this performance be donated to the
FUND FOR BRITISH REFUGEES FROM EGYPT
