

LION TAMER

Our cameraman pays a visit to the young naturalists of the city of Riga, the capital of Soviet Latvia. Irina Bugrimova, the well-known animal tamer, was also visiting them on that day.

The children show Bugrimova some of the animals they are bringing up....

But this animal is one of Bugrimova's trainees...

The young naturalists are invited to the circus to watch a rehearsal of the four-legged actors...

Obedient as they are - is the result of the hard work put in by the tamer.

Our cameraman decides to have an interview with the lions, to have a chat with them...

And bravely enough he makes for the cage....but at the last moment he seems to have changed his mind...

In the evening the children attend the circus show and watch how Irina Bugrimova is performing with her group of trained animals.
