## Gerhard Hecht vs Yolande Pompey

More than 10,000 Berliners, among them UFA-filmstar Hildegard Knef, applauded popular European Champion Hecht (33), when he climbed up into the ring of the Berlin Sport Palace to box Yolande Pompey (27) of Trinidad.

In the first round Hecht demonstrated his great fighting spirit and world-class. Pompey was loosing points.

But then came the decisive second round. Pompey attacked viciously. Suddenly a hard uppercut on the liver floored Hecht for the time.

Hecht lost his right as topman of the international list of challengers for world champion honours.
