MINK-TRIMMED UNDERS.

My dear, they're putting mink on simply everything these days. Even Mr. Teenie-Weenie is left speechless by this outfit. The name? "Love Nest" The price? A mere hundred guineas.

Associated British starlet Nya Koumari models a "Baby Loll" set. Rather cheaper, this one - 60 guineas. Just the job to keep you warm on those long winter nights. Well, bits of you, anyway!

You still find 60 guineas a little too expensive? Never mind, the show caters for all purses. The next creation is practically given away, at 50 guineas. It's called "First Night".

What'll they be thinking of next? Mink toothbrushes?
