HAPPY EVENT IN DOG'S FAMILY
DALMATIAN GAVE BIRTH TO 17 PUPPIES.

Length: 31 metres.

It seems that the Dutch love dogs !
A well-known Dutch actor has two Dalmatians and some time ago these dogs became the happy parents of 17 children. The cat has to look now for a safer place. As Mother Dog cannot nurse her puppies all together, the bottle must help. And the actor's wife has another busy task each day.
