

TIGER PURSH ON A STROLL

Look out! Tiger "Pursh" is coming out to take a stroll. But there's no need to worry. He is not alone, Margarita Nazarova, is accompanying him.

Well, the weather seems to be quite satisfactory for such a thing.

Pursh does not mind to ride in a car...so they decide to take it.

People in Tbilisi, Soviet Georgia, are not used to see passengers like this...

That's something new for Pursh....

New acquaintances... He pays a visit to his four-legged brothers....

But these are irreconcilable friends...

We happened to see tiger Pursh on the Circus Arena...

but to ride with him in a car is something that I personally would not dare to do it...How about you, friend?
