- The Jockeys are weighed: the general weight is 58 kg. Start numbers are drawn and then 17 horses are starting for the race over 2400 metres.

- Favorite horse seems to be "Windfang" with No. 10 (Jockey Starosta). Passing the gallery Harzissus is leading, followed by Thila (No. 17) and Aton (No. 8). - Now only a few hundred metres. It's a really dramatic finish. And now comes England's star-jockey Lester Piggott with Orsini. Although No. 10 (Windfang) tries the utmost, Orsini wins before Windfang and Utrillo.

Lester Piggott, winner of the German Derby 1957, congratulated by Mr. Thyssen.
