Poodle Race in Berlin

Poodles, black and white, have become the fashionable dog. And their masters and mistresses do everything to amuse their pets - and themselves.

One of the favourite events of the many "Poodle Clubs" is the racing day. In Berlin the best poodles of the town met to compete in the shadow of the Berlin Radio Tower. Amusing scenes ensued when the keen pets, held at the start by some stranger, rushed down the track to rejoin their beloved ones.
