Princess Irene's 18th Birthday.

Length: 31 Metres.

The drum-band of the "Princess Irene's Guard-regiment" played the music on the morning of the 18th birthday of Princess Irene.

The whole Royal Family, (just returned from the French Riviera) was present on the Palace stairs.

As usual, the Princess got a present from the ex-combattants from this regiment. This time it was a weekend-bag.

With the presentation of this bag ends this short ceremony, which marked the 18th birthday of H.R.H. Princess Irene.
