

The Czechoslovak week in News No. 43/57 - The great Pardubice steeple chase. The top of this years obstacle meeting in Czechoslovakia has been the sixty-eight annual of the Grand Pardubice steeple chase. At the world famous race has participated the record number of twenty four horses, from four countries. We come nearer to the most fearful of the thirty obstacles the Taxis ditch. All falls on the Taxis have turned out well this year and most of the riders started to continue their ride soon. Meantime is our Tornado at the top in front of the Soviet horse Epigraf. In spite, that the Hadi ditch is not so difficult as the Taxis, the increased weariness caused, that here came many horses to a stand. Unkas refused all trials to jump over. Over the water ditch fall down a number of other horses. In front has Tornado not kept the lead. In the winning post level appeared as the first the Soviet horse Epigraf, who fought out a great start. The victor of this years Grand Pardubice has become the Soviet rider Fedin on the excellent prepared horse Epigraf.
