

HIGH-FLYIN' SANTA!

This is the time of year when every youngster's fancy turns from sputnik to Saint Nick. Donner and Blitzen aren't along for this trial run to Cypress Gardens, Florida.

Look, there's Santa!

An expert landing and SantaClaus is surrounded by the charm of Southern hospitality.

Not easily diverted, Kris Kringle gets down to the business part of his mission.

If you haven't gotten the point of this Florida interlude, the girls spell it out.
