Dear Mr. Stagg,

Enclosed is a Press story which tells you something about the special train we are running on Tuesday morning next at 8.20 a.m. from Paddington, for the Canadian Trade Mission.

The engine will have a special headboard and be decorated with flags, and the dining tables will also have on them miniature crossed flags about nine or ten inches high.

If you would care to send a cameraman he would be very welcome.

Yours sincerely,

For C. J. RIDER
