

GUILIO AND SHIRLEY RE-UNITED:

At a secret rendezvous, filmed exclusively, Shirley Holmes, Giulio Comparini, and Shirley's mother talk with reporters from the Daily Sketch and the Daily Express. Shirley, the girl with the hole in her heart, is meeting Giulio, her Italian soldier sweetheart, for the first time since they fell in love during her holiday last summer. There are still language difficulties, of course - but what are they to a determined couple like this? Though her life has been in danger ever since she was born, Shirley's going to marry her Giulio - and the Italian Army sent him on special leave to England to arrange it.

Good luck to a girl who refuses to sit back and wait for bad luck!
