BEHIND THE SCENES
WITH THE ATLAS!

The 100-ton Atlas intercontinental ballistic missile at Cape Canaveral, Florida. For the first time the Department of Defense allows News of the Day to show you what it would be like to be with the launching team. Listen...

(NATURAL SOUND)

The latest launching of the huge Atlas seems ideal, important data recorded. But at completion of the powered portion of flight, when it begins to coast like a bullet toward the target, the missile reportedly destroys itself in a sensational climax.
