Empress Soraya - private

Hint

The Empress of Iran made a surprise-visit to Cologne on Rhine, where her father, the Iran ambassador to the German Federal Republic, is in hospital with a broken leg.

Accompanied by her mother, Princess Esfandiary, and her brother, Prince Bijan, Empress Soraya went for a walk through the streets of the Rheinisch metropolis to the "SCALA" cinema, where she saw a film "Sayonara" with Marlon Brando and Miiko Taka.
