DEMONSTRATION OF SKILL BY THE FRENCH
MOTORIZED POLICE UNITS.

18 H. = 60 ft.

At SENS , town where the school for French motorized police is established a demonstration is staged every year on the occasion of the new promotion of the CRS (Republican Security Company)

Its members have then an opportunity of giving a big demonstration of their skill.

After a march past and a demonstration of physical training, a very spectacular drill was staged.

This manifestation was attended by the local authorities, and civil and religious personalities who had taken place in the tribunes, under the presidency of the Commander of the school.
