Mud Derby

Dahnen-Quhaven, holiday resort at the mouth of the Elbe, celebrated the traditional event of the season: the Mud Derby. 15.000 enjoyed themselves watching the jockeys fighting the tide and the mud. The pedigree-racers became "mudalingers" well-worth avoiding! All the jockeys looked like mud-ringers after the twelfth round!

But it was great fun and everybody - including betters and book-makers - was happy! Beach-pleasures and no combers in sight!
