the mile and a half run for \$70,000 winner's money. The two Russian entries are running back of the leaders. (SOF UP FOR CROWD NOISE TO CROWD SHOT) Going around the far turn, Tudor Era holds its lead widening the distance by a comfortable three and a half lengths. (HOLD TO STRETCH RUN) Going into the finish, Tudor Era moves to the line fast followed by Sailor's Guide and Ballymoss with Tharp of Ireland trailing. As they cross the line, it's Tudor Era, with Sailor's Guide second and Ballymoss third in a photo finish for place. (HOLD TO FINISH) Then jockey Howard Grant riding Sailor's Guide claims his horse was fouled going around the far turn into the stretch. Tudor Era's trip to the winning circle is to no avail and the judges call the Australian Sailor's Guide to take home the big prize money. Maryland's Governor McKelden congratulates the owners of Sailor's Guide, A. C. and Keith Dibb.
