

MOROCCO: CHURCHILL'S WINTER IN THE  
SUNSHINE.

Marrakeah is in the news as the place favoured by another famous man travelling abroad. Top guest at the Hotel Manoubia are Sir Winston and Lady Churchill. They'll be there for some weeks, till the weather back home is more to the Old Warrior's liking. Though not so mobile afoot as he was, Winston's in many ways a miracle for 84. He'll spend his holiday basking in the sun and painting. He'll no doubt return full of vigour, ready for any general election that happens along.
